

Build a single-page AI Marketing Intelligence Dashboard called "Guardian AI" with subtitle "Marketing Command Center". Use a clean, light gray (#F8FAFC) background, white cards, teal (#0D9488) as primary color, orange-red (#E8430A) as secondary/action color, and indigo/purple (#4F46E5) for charts. Use Inter or similar clean sans-serif font.

****NAVBAR (top, white background, bordered bottom):****

- Left: Dark teal shield icon + "Guardian AI" bold + "Marketing Command Center" subtitle in gray
- Center navigation pills (outlined): "Content Studio" (with pencil icon), "AI Assistant" (with bot icon)
- Center: "+ Create Campaign" (dark/black filled pill button)
- Right: "Generate Creative" (outlined), "Launch Ads" (teal filled with bell icon), notification bell icon, settings gear icon

****PAGE HEADER:****

- H1: "AI Marketing Intelligence Dashboard" (large bold dark text)
- Subtitle: "Automate your marketing campaigns with AI-powered insights and optimization"
- Light gray page background (#F1F5F9)

****SECTION 1 — Campaign Input Panel (collapsible card):****

Header row: teal square icon with pencil, "Campaign Input Panel" bold, subtitle "Create AI-powered marketing campaigns", collapse chevron (up/down arrow) on right. Card is collapsible.

When expanded, show a 2-column form grid:

- Left: "Product / Service" text input (placeholder: "e.g., AI Marketing Platform")
- Right: "Industry" dropdown (placeholder: "Select industry") with options: Technology, Healthcare, Finance, Retail, Education, Real Estate, Other
- Left: "Campaign Goal" — 3 toggle buttons in a row: [Sales] [Leads] [Traffic] — active one fills teal, others gray
- Right: "Target Platforms" — pill toggle buttons: Google, Meta, Instagram, LinkedIn, X — clickable, selected ones get dark border
- Left: "Website URL" text input (placeholder: "https://yourwebsite.com")
- Right: "Monthly Budget" text input (placeholder: "\$5,000")
- Left: "Target Region" text input (placeholder: "United States")
- Right: "Keywords (Optional)" text input (placeholder: "AI marketing, automation, ROI")

Bottom row of form:

- Left button (full width, teal): " Run Market Intelligence"

- Right button (outlined teal, light teal bg): " Generate Campaign"

****SECTION 2 — Brand Safety & Compliance Check (card):****

Header row: indigo/blue shield icon, "Brand Safety & Compliance Check" bold, subtitle "AI-powered content moderation and policy validation", right side: "Auto-review:" label + blue toggle switch (ON by default)

Content items (each in bordered sub-card):

Item 1 — APPROVED:

- Title: "Transform Your Marketing ROI with AI-Powered Intelligence"

- Below: sentiment icon + "Sentiment: 92%" + green pill badge "Low Risk"

- Right: green checkmark circle icon

Item 2 — PENDING with actions:

- Title: "Stop Guessing. Start Winning. AI Marketing That Actually Works"

- Below: sentiment icon + "Sentiment: 88%" + green pill badge "Low Risk"

- Right: orange clock icon

- Action row: [✓ Approve] (green filled) | [Manual Review] (gray outlined) | [Auto-fix] (light blue outlined)

Item 3 — VIOLATION:

- Title: "Get Rich Quick with Our Amazing System"

- Below: sentiment icon + "Sentiment: 45%" + red pill badge "High Risk"

- Right: red X circle icon

- Red-tinted violation box:

- "Policy Violations:" bold

- ⓪ Misleading claims

- ⓪ Unrealistic promises

- Full-width button: "⌛ Regenerate Content" (light blue bg, blue text)

Stats row (4 metrics inside the card):

- "94%" green — "Approval Rate"

- "2.3s" blue — "Avg Check Time"

- "3" orange — "Pending Review"

- "1" red — "Violations"

****SECTION 3 — Publishing & Ads Control (card):****

Header row: orange square icon with bell, "Publishing & Ads Control" bold, subtitle "Manage campaigns across platforms", right: "Configure" button (orange outlined)

Two-column layout inside:

LEFT — "Connected Platforms" sub-card:

- Google Ads | green checkmark | "Active" (teal)

- Meta Ads | green checkmark | "Active" (teal)

- Instagram | green checkmark | "Active" (teal)

- LinkedIn | green checkmark | "Active" (teal)

Divider line

- "Scheduled Posts" → 8 (right-aligned bold)

- "Auto-post" → orange toggle (ON)

- "Paid Ads" → orange toggle (ON)

RIGHT — "Budget Allocation (AI Suggested)" sub-card:

Horizontal progress bars with orange fill:

- Google — 45% (longest bar)

- Meta — 35%

- Instagram — 15%

- LinkedIn — 5%

"Performance Predictions" section below:

3-column mini stats:

- "Avg CPC" → \$2.45

- "Avg CPA" → \$18.5

- "ROI" → 4.2x (teal colored)

Bottom button row:

- Left (full width, orange-red filled): "➤ Publish Now"

- Right (full width, light orange bg, orange text): "Schedule Posts"

SECTION 4 — Live Performance Intelligence (card):

Header row: light purple square icon with chart, "Live Performance Intelligence" bold, subtitle "Real-time campaign metrics with AI predictions", right: "Last 7 Days" outlined button + download icon

Tab bar (4 toggles, active fills indigo/purple):

- Reach | ↗ CTR | ☉ Conversion | \$ Revenue

Bar chart below (using Recharts BarChart):

- X-axis dates: 15, 16, 17, 18, 19, 20, 21

- Bars filled with indigo/purple (#4F46E5), with gradient from lighter purple to deeper purple

- On hover: show dark tooltip with value (e.g. "4.18%" for CTR, "145" for Conversion, "\$11,961.6" for Revenue)

- Chart is interactive — clicking each tab updates the chart data and tooltip format:

- Reach: values like 42000, 55000, 48000, 67000, 62000, 71000, 78000

- CTR: values like 3.2, 3.8, 3.5, 3.9, 3.7, 4.18, 4.4
- Conversion: values like 120, 145, 130, 165, 155, 178, 195
- Revenue: values like 8500, 10200, 9100, 11961, 11200, 13400, 14800

Stats row below chart (4 metrics):

- ↑ Avg Growth → "+24.5%" (green)
- Peak Day → "Jan 21" (dark)
- AI Confidence → "94%" (purple)
- ⚠ Risk Signals → "2" (orange/amber)

****DESIGN SYSTEM:****

- Primary teal: #0D9488
- Orange/action: #E8430A
- Chart purple: #4F46E5

- Success green: #16A34A
- Warning orange: #D97706
- Danger red: #DC2626
- Background: #F1F5F9
- Card bg: #FFFFFF
- Border: #E2E8F0
- Text primary: #0F172A
- Text secondary: #64748B
- All cards: rounded-xl, subtle shadow (shadow-sm), white background
- Font: Inter
- Toggle switches: styled with teal/orange depending on section
- All sections are collapsible accordions with smooth animation
- Fully responsive layout
