

1. Information We Collect

- Personal data: name, email, company, billing details
 - Usage data: IP address, device information, activity logs
 - Content data: text, images, and AI-generated results
-

2. How We Use Your Information

- Provide and maintain services
 - Process payments and subscriptions
 - Improve AI models and system performance
 - Detect fraud and security risks
 - Send service updates and alerts
-

3. Data Sharing & Disclosure

- No sale of personal data
 - Shared only with:
 - Payment providers (*Stripe, Razorpay*)
 - Cloud providers (*AWS*)
 - Legal authorities (*when required by law*)
-

4. Data Retention

- Retention based on plan: 7 / 30 / 90 days
 - Users may request data deletion
 - Temporary backups maintained for security
-

5. Security Measures

- SSL/TLS encryption for data in transit
 - Secure encrypted storage
 - Role-based access control
 - Regular internal and external audits
-

6. Your Rights

- Access and review personal data
- Correct or update information
- Request deletion of data
- Request data portability
- Object to certain processing activities

7. GDPR & Compliance

- Fully GDPR-compliant for EU users
 - Lawful processing based on consent and legitimate interest
 - Supports compliance with global data protection standards
-

8. Cookies & Tracking

- Used to enhance user experience
 - Analyze usage and performance
 - Maintain login sessions
 - Users can disable cookies in browser settings
-

9. Third-Party Services

- Payment gateways (*Stripe, Razorpay*)
 - Cloud and infrastructure providers
 - Analytics and monitoring tools
 - Each third party operates under its own privacy policy
-

10. Changes & Contact

- Policy subject to updates or revisions
 - Notification provided for major changes
 - Contact for privacy inquiries:
 - support@guardianai.co.in
 - info@guardianai.co.in
-
